Attention: Business Supervisors, COO, Compliance Partners

ARMSTRONG WOLFE™
Institute

Armstrong Wolfe Institute

For Chief Operating and Chief Control Office Professionals

Our mission is to make the COO a globally recognised profession, to be accredited and in doing so, making it a go-to career destination. Our purpose is to raise the profile and impact of the COO and CCO functions in Finance by driving innovation, while redefining and enhancing their roles and capabilities.

Goals of the Institute:

Redefining roles

- Redefine the role of the Operating and Control Officer functions, from Business Manager to COO or CCO to meet the emerging challenges of the finance industry and in a way that drives business value and builds trust.

Advancing development

- Advance the development of innovation, solutions, competencies and skills in a targeted, balanced manner to support the COO and CCO's evolving function.

Developing opportunities

- Develop opportunities and a career path for talent from diverse backgrounds to bring rich perspective and an effective source of leadership in this critical role, whether direct from secondary/tertiary education or laterally from other functions or industries.

ARMSTRONG WOLFE™
Institute

The COO Learning Hub - An evolving ecosystem

Flexible and full career development and coaching services for professionals from entry level and Business Manager through to Senior Managing Director and Group COO level. Offerings evolve founded on a targeted competency framework to enhance technical, contextual and personal skills designed to meet current and future needs of the COO function in Finance at all career stages.

In-house practitioners with extensive, global experience in Financial Services and COO activities, partnering with exceptional institutions and educators in the delivery of programmes specifically tailored to the COO mandate.

Programmes offered by the Learning Hub include:
